

TRUCK CENTER

Contract Maintenance Program

Maintenance can be the most important element in fleet management. With years of experience in handling large fleets, Monarch has developed a program that will not only lower your maintenance costs, but more importantly keep your trucks on the road, and your customers happy.

- **Fleet Management:** →
professional management advice, driver maintenance training.
- **Physical Inspection:** →
monthly inspections on your vehicles.
- **Mileage Tracking:** →
management team tracking your mileage and scheduling service appointments for you.
- **Vehicle Service:** →
scheduled maintenance per contract.
- **Discounted Labor Rate:** →
\$23.00 discount off hourly labor rate for repairs other than scheduled maintenance.
- **Discounted Factory Parts:** →
15% discount on genuine factory parts for repairs other than scheduled maintenance.
