

Monarch Truck Center San Jose Relocating April 29th 2024 to a New State-of-the-Art Facility

San Jose, CA

Monarch Truck Center, a trusted name in the Bay Area for over four decades, announces its upcoming move to a new and improved location in San Jose, scheduled for April 29th, 2024. Since its establishment in 1976, Monarch Truck Center has been the go-to destination for all medium-duty truck needs, proudly serving the community with top-notch service and an extensive lineup of commercial trucks.

As an authorized dealer for leading brands such as Isuzu Commercial Trucks, Hino Commercial Trucks, the innovative REE Electric Truck line and GreenPower Electric Trucks, Monarch Truck Center has been at the forefront of providing cutting-edge solutions to its valued customers.

The decision to relocate comes as a result of eminent domain action taken by the Santa Clara Valley Transit Authority (VTA). The move is necessitated by the plans to commence the construction of a BART expansion terminal at 195 N. 30th Street, where Monarch Truck Center has been a longstanding presence. Despite the challenges posed by the relocation, Monarch Truck Center sees this as an opportunity for growth and improvement.

The new Monarch Truck Center facility will be located at 1015 Timothy Road, San Jose, CA 95133. This state-of-the-art location is carefully designed to enhance the overall customer experience, offering a more spacious and modern environment for clients seeking medium-duty truck solutions.

Tony Guetersloh, Vice President-General Manager of Monarch Truck Center, expressed enthusiasm about the move and the prospects it holds for the company and its customers. "Our new facility at 1015 Timothy Road is a testament to our commitment to providing exceptional service and cutting-edge solutions. We are excited about the opportunities this move brings and look forward to continuing to serve our customers with the same dedication and expertise they have come to expect from Monarch Truck Center."

For more information about Monarch Truck Center and its upcoming relocation, please contact Tony Guetersloh at 408-275-0500 or via email at tguetersloh@monarchtruck.com.
