

# **FleetValue™ Air Filters**

**FleetValue air filters are OE Quality Parts at Competitive Prices that provide the filtration and proper air flow required to keep your truck running at its peak performance level.**

**Fleet managers know how important good filtration is to the life and performance of your diesel and gasoline engines. FleetValue air filters meet or exceed the stringent standards that Isuzu is known for.**

**Why risk expensive engine damage or accept less than optimum performance? Be sure to use FleetValue air filters.**

**FleetValue Parts are covered by a 1-year/unlimited mileage warranty. See your authorized Isuzu truck dealer for details.**
