

# FleetValue™ Radiators

FleetValue radiators are OE Quality Parts at Competitive Prices supplying the long term performance you require to keep your truck in top operating condition.

FleetValue radiators are constructed with high-grade aluminum, hand welded, and 100% tested for leaks to ensure that the highest quality standards are achieved. FleetValue radiators are laboratory tested for vibration, thermal shock, heat cycling, corrosion, burst, and meet or exceed the Original Equipment Manufacturer specifications in most areas of performance; a standard not easily achieved.

Engine cooling is instrumental to maintaining proper performance and meeting emission standards. Use FleetValue radiators to maintain the long term performance of your truck.

FleetValue Parts are covered by a 1-year/unlimited mileage warranty. See your authorized Isuzu truck dealer for details.

FleetValue Part Number (8 - Digit p/n)	Description	Abbreviated Application
2-9406B-000-0 (97780253)	Radiator; ASM	1991-1998 4BD2 N-Series (Diesel)
2-9406B-006-0 (97780259)	Radiator; ASM	1999 4HE1 NPR (Diesel)
2-9406B-005-0 (97780258)	Radiator; ASM	2000-2003 4HE1 NPR (Diesel)
2-9406B-003-0 (97780256)	Radiator; ASM	2003-2004 4HE1 N-Series
2-9406B-002-0 (97780255)	Radiator; ASM	2004-2007 (Non-700P) 4HK1 N-Series (Diesel)
2-9406B-007-0 (97780260)	Radiator; ASM	2008 ~ (700P Forward) 4HK1 N-Series (Diesel)
2-9406B-008-0 (97780261)	Radiator; ASM	2011 ~ 4JJ1 NPR/NPR-HD "ECO-MAX" & REACH
<b>Radiator Gas Applications</b>		
2-9406B-001-0 (97780254)	Radiator; ASM	1993-1997 5.7L N-Series (Gas)
2-9406B-004-0 (97780257)	Radiator; ASM	1997-2003 5.7L N-Series (Gas) & 2004 ~ N-Series (Gas)
