

Monarch Truck Center, the Bay Area leader in medium duty truck rental, sales, and leasing, Monarch understands the needs of truck owners.

PRE-OWNED TRUCK SALES POLICY

It is the policy of Monarch Truck Center that all Pre-owned trucks will be "road ready" at the time of sale. "Road Ready" means that every Pre-owned truck sold will meet or exceed the following conditions:

1. **Complete Safety Check** – will be performed on the truck.
2. **Engine Compression Test** – (where applicable) the truck engine will have passed an engine compression test and the engine will operate within the manufacturer's specifications.
3. **Lube, Oil, and Filter** – the truck engine oil and filter will be changed and the chassis will be lubricated.
4. **Clutch, Transmission, and Differential** – will operate properly.
5. **Instruments and Accessories** – all instruments and accessories originally installed in the vehicle will operate correctly.
6. **Brakes** – the brake system will be inspected and the brake linings will meet or exceed the minimum standards of 50% of useable lining thickness.
7. **Fluids** – cooling, engine oil, transmission, differential, steering fluids, and hydraulic brake system will be full of fluids.
8. **Tires** – will meet or exceed minimum safety standards.
9. **Parking Brake** – will be inspected and operate normally.
10. **Appearance** - the interior, exterior, and frame of the vehicle will be cleaned.
11. **Maintenance Records** – all prior maintenance records available to Monarch will be provided to the buyer upon request.

Unless otherwise specified in writing, all Monarch Pre-owned trucks are sold "as is". However, Monarch pledges to each buyer of a Monarch Pre-owned truck that the vehicle will meet or exceed the above conditions.
